

# A day in the life of.....

Write a story about a typical day in the life of a marine animal.

You could write about a Hermit Crabs challenge to find a new home...

You can write about whatever you want, but make it interesting by including lots of detail!

Or write about the adventures of a Common Starfish

If you need some ideas have a look at the species pages at [www.marlin.ac.uk](http://www.marlin.ac.uk) or research some marine animals in a non fiction book. You can send your story to MBA education team. The best ones will be displayed online!
