

SHARK FIN

If you love sharks, you'll really enjoy making your own fin so you can be a shark whenever you want!

Materials needed:

- A4 coloured card
- Scissors
- Hole punch
- String
- Glue
- Tissue paper, glitter...anything to decorate your fin with!

1. Print the document named 'Shark Fin!' and cut out the Shark fin template.
2. Draw around the template onto A4 coloured card and cut out it out.
- 3, Fold the card in half and staple each side together, making sure the flaps at the bottom remain unstapled.
4. Fold these flaps outwards along the dotted lines.
5. Decorate your fin with tissue paper, glitter, drawings – whatever you wish!
6. Using a hole punch, make a hole at the end of each flap – there should be four in total.
7. You may want an adult to help you with this next bit so that you can make the fin the correct size. Cut two long pieces of string. Thread one piece through the holes on one flap and tie together above your shoulder. Do the same for the other flap. There you have it! Your own brilliant shark fin!
