

National Refill Day

June 19th

Have you #GotTheBottle?

Say goodbye to single-use plastic in your school and switch to a reusable water bottle in your lunchbox this National Refill Day. You can also download the app (or ask Mum or Dad to!) to access thousands of refill stations where you can fill up for free when you're out and about.

We now use an estimated

 **7.7 billion**

plastic bottles
every year in the UK.

An estimated

700,000  

plastic bottles are littered
every single day in the UK.

There are
now over

159

plastic bottles for
every mile of beach
in the UK.

Save plastic. Save our oceans.

Download the free Refill app today.
